Lieutenant Warren Nobles Killed In Missouri Air Crash

The message that came to Hamlin on Thursday of last week that Lieutenant William Warren Nobles had lost his life, was a shock to Hamlin people that is hard to realize.

Information finally came that Warren and a student aviator, Corporal John B. Randle of Dallas, crashed about two miles north of Marionville, Missouri, in the early part of Wednesday night of December 30. Lt. Nobles' plane was one of six that had gone on a cross-country flight from Majors Field at Greenville, Texas, where Warren was an instructor.

The nearest reliable information obtainable is that the six planes had gone as far as Springfield, Mo., and had started back through Tulsa, Oklahoma, but weather reports turned them back towards Springfield, and a heavy fog caught them. Part of the formation rose above the fog and Lt. Nobles must have had some trouble and attempted a crash landing.

The body reached Hamlin about 10:00 o'clock Saturday night, accompanied by a military escort composed of Lieutenants, Chal N. Daniel, of Longview, Texas, and Dwight E. Kroesch, of Kansas. Lt. Daniel was from Majors Field and was in another plane on the trip. He was also Warren's roommate at Greenville. Daniel said the Nobles plane was missed from the formation immediately and that they all circled and called till the weather orders at Springfield called them in. He said the plane struck the ground about 7:00 o'clock, which that far north, and with foggy weather, was dark. In coming to the ground, it struck on a farm, close to a water tank, and a post crashed one wing as the plane was perhaps going at a great speed. Nearby farmers heard the crash but the plane was not located until the next morning. No fire was reported. Death must have been instant to both young men.

Above we said this was shocking news to Hamlin people, and truly it was, yet all of us realize that every minute our boys are in eminent danger in planes or out of them. But when the news comes home it brings sorrow and heart aches.

Warren Nobles was born in Hamlin, grew up here, and day by day he worked his lovable character into the hearts of everyone. He was so manly, so friendly, and lovable all the days, and when his college years came and his full stature measured to handsome manhood, he would return to his old home town with greetings and happiness for everyone like they were his very own. That's why his death struck so hard in Hamlin. Then came the war days, and young college men, classmates at Texas Tech felt the urge to step up and do something for their country. Warren answered with all of his well known enthusiasm and energy. He entered the air service to make a pilot. He went through grueling ordeals at the Ballinger Field,

LT. WILLIAM WARREN NOBLES

then to San Antonio for the advance, and there he made it again. Graduation Day came and his first real disappointment came when they told him he must remain in Texas to train others to fly and fight. He was assigned to Greenville. He got to come home but once in his officer uniform. He again showed his happy enthusiasm for service, a real soldier. He said "I know I'm in a dangerous spot, so is every other boy, if it's God's will that I come out of it, I'll come back. I'll do my best."

William Warren Nobles was born November 6, 1917, and died December 30, 1942. He was 25 years, one month and twenty-four days of age. He was the only son of Mr. and Mrs. B. W. Nobles and is survived by his parents and one sister, Miss Mary Marguerite Nobles, a student of Texas Tech, Lubbock.

Relatives coming for the funeral included, the father, Bert Nobles of Muskogee, Okla.; an aunt, Mrs. W. H. Collins and husband of Brownfield; an aunt, Mrs. J. L. Sullivan and husband and daughter Frances, of Pittsburg, Okla.; an aunt, Mrs. J. H. Woods and husband and daughter, Kathleen of Sulphur Springs; an aunt, Mrs. Otis Estes and husband of Dallas, and an uncle, Scott Nobles of Sulphur, Oklahoma.

Cousins and other relatives who came included Mr. and Mrs. Bill Collins of Lubbock; Malon Nobles of Pecos; Miss Mary Emily Eakin of San Antonio; Mrs. Clinton Murphy of Abilene, and from Lamesa were Mr. and Mrs. Tom H. Boyd and son Thomas, Mr. and Mrs. Jennings Winters, and Mr. and Mrs. W. H. Derstine; Mr. and Mrs. Ernest Scrimshire of Monahans; Mr. and Mrs. Idus Alexander of Anson; Mrs. J. B. Lewis, Mrs. Forrest Boyd and Mrs. Marvin Hampton of Sweetwater.

Special friends from a distance were, Walter T. Clark of Lubbock; Pattie Hicks, Jeanne Taylor and Mrs. Wade Winston of Snyder; Miss Elmerine Barron of Sweetwater; Lt. Frank Hillier, Glenn D. and Miss

Eral Ray Reported Prisoner of The Japs

Last week the Herald told of Mr. and Mrs. Eral Ray of the Hodges community being in Hamlin and that they had a son on Bataan.

Now the best news they ever got was last Friday night. A message came to them that their son Eral was a prisoner of the Japs.

Mr. and Mrs. Ray got the news by a personal visit of the Hawley postmaster at 9:00 o'clock Friday night. So after that they were so happy to believe that their son was alive, they just pulled out in their car for their brother, I. B. Ray, three miles away and then on to Hamlin to tell their sister, Mrs. W. B. Hampton. No more sleep that night.

Hazel Adkins of San Antonio; Aviation Sgt. Norman Lasseter of Eagle Pass; Mr. and Mrs. J. M. Radford, of Abilene; Mr. and Mrs. Edgar Self and son, Mrs. Griffin, Mrs. Graham and Misses Evelyn Jones, Earlene Jones, Twilla Graham and Miss Margaret, all of Snyder; Mrs. Ray Knight and daughter Zelma of Breckenridge; Mrs. Paul Frasher of Brownsville; Mr. and Mrs. O. H. Berry, Mr. and Mrs. Paul Cain of Sweetwater and Mrs. Johnson of Lubbock.

Pallbearers at the funeral were Lieut. Chal N. Daniel, Majors Field; Lieut. Dwight Kroesch, Harreusburg, Mo.; Jack Jiles, Lester Grimes, Robert Allen and George T. Atkinson of Lubbock; Howard Via and Jack R. Wilson of Abilene.

Funeral services were conducted at the First Baptist church, Sunday afternoon at three o'clock, with Rev. J. Henry Littleton, a former pastor and Rev. H. E. East, the pastor, in charge. Rev. Littleton had known Warren for about seventeen years, had been so close to him that he was almost like his own son, had helped the boy along in his Christian development, baptized him, and watched him grow to manhood. His talk was so much like one spoken for an own son. Rev. East read the Scriptures and paid a suitable tribute.

A great crowd of people were present, and perhaps the most extensive tribute of lovely flowers bore evident testimony of the great love and esteem held for the deceased.

Final rites were concluded at the East Cemetery, under the direction of the Barrow Company. Not many had ever seen a military ceremony of the removal of the flag from the casket. The two Lieutenants did this in a most effective manner, folding the flag tenderly and affectionately presenting it to the mother. Yes, it was a fitting climax to the memory of this really noble young man whose life was given in defense of that flag and all the dear things it stands for. Lieutenant Warren Nobles will live a generation in the memories of all who knew him.

Richard Young Jr., has returned to Texas Tech after spending his vacation at home with his parents, Mr. and Mrs. Richard Young.

Marionville Paper Furnishes Report of Lieut. Nobles' Death

The Herald is very grateful to Mrs. J. W. Brown, Managing Editor of the Marionville, Missouri, Free Press, for close-up information of the fateful night in which Lieut. Warren Nobles and his companion lost their lives.

The Herald sent an airmail request to the Marionville paper to give us any details available. Mrs. Brown not only sent clippings of her own paper, but one from the Aurora Daily Advertiser, and the Springfield Leader. She also wrote the Herald a nice letter and then enclosed one for the Hamlin mother. Not only Mrs. Vera Nobles and other loved ones appreciate this thoughtfulness of the Missouri lady, but the Herald and all of the people of this community.

FROM THE MARIONVILLE FREE PRESS Report:

A Lockheed Army training plane, one of a group of six, from Majors Field, Greenville, Texas, crashed on the Harry Newton farm about two miles east of Marionville, about 8:20 Wednesday evening, resulting in instant death for the two officers in the plane.

It was difficult to learn just what had happened, but the report was current that the six planes were on maneuvers from Majors Field and due to the heavy fog late yesterday evening were flying lower than usual and crashed.

Neighboring farmers heard the crash but were unable to find the wreckage until early this morning.

From all indications the plane first hit in a field some distance from the present wreckage, tore the landing gear partly off, plowed through a fence, jumped a pond furrowing the west bank of the pond and came to rest about 75 yards farther on. Both wings were torn off the plane and wreckage strewn all around the nearby fields.

Highway patrolmen took charge of the wreck awaiting action of government officials.

The bodies of the two officers were not removed until this afternoon.

Important Red Cross Meeting January 18

Every person in Jones County who has paid Red Cross membership dues in 1942 or who is a Life or Patron member may attend the annual meeting and vote when Jones County Chapter holds its yearly session January 18, at the county production room in Oliver Street school.

A nominating committee, headed by W. A. Haynes, Anson, vice-chairman, will report, and standing committee chairmen will each read written reports of their Red Cross year of war activity in this county. Oran A. Dean, Anson, chairman of Jones County Chapter, will preside, and it is hoped that an area official will be present. Regular executive board meeting will be held in connection with, but separate from the annual meeting.

Those to present reports will include Chairmen Mrs. L. M. York, Miss Hybernia Grace, Brad Rowland, Mrs. John Bennett, Mrs. R. F. Mahood, Mrs. V. D. Duble, Mrs. George Zachary, Mrs. R. H. Bounds, Mrs. E. M. Pittman, Mrs. Steve Bennett, Mrs. Gordon Bennett, J. C. Eubanks, W. A. Haynes, Mrs. C. F. Butcher, Byron E. Lewis, and Miss Dorothy Cassle.

Make Applications For Gas, Tires, Etc. At Hamlin's City Hall

The Hamlin members of the County Rationing Board request the Herald to say that they have arranged for a special secretary at the City Hall to receive applications for Rationing Needs. Be it gasoline, sugar, tires or "what you want," drop in and tell 'em. You may get it and you may not.

Mrs. Buster Gunn of Eldorado has been visiting her parents, Mr. and Mrs. K. Garrett and others of the family.

W. A. (Bill) Cooper Found Dead Sunday

Bill Cooper, a pioneer young ranchman and farmer of Eastern Fisher County, was found dead in his pick-up in a lane about 12 miles Northwest of Hamlin, Sunday morning.

He had been shot in the breast by a shotgun. Indications, according to one of his brothers, was that death occurred shortly before he was found. Thurman Dennis, is reported as finding the body.

Bill Cooper had been living on the J. R. Rimmer farm just outside the city limits, Northwest of Hamlin. He and his wife were in Hamlin Saturday, and reports are that he had been at other places during the day, and started home late in the afternoon, but never arrived. His people hunted for him all night, and not till 10:00 A. M. Sunday did Thurman Dennis come upon the pick-up in a lane northwest of Hamlin.

For some time Mr. Cooper had been ill with some form of stomach ailment. He had been treated and continued to suffer terribly. No other cause for his death could be assigned.

He was born February 3, 1906, and was 36 years and 11 months of age. Survivors are his wife, and three daughters, Billie Jo, Mary Nell and Christina. The first two girls had left with their aunt, Mrs. Droke and husband for San Antonio to resume their school work. Their father was missing when they left but they never thought that such a tragedy was to be learned. They were notified after they had reached San Antonio.

Funeral services were held at the Mt. Zion Church of the Nazarene, at 2:30 P. M., Wednesday, with Rev. J. T. Crawford of Memphis in charge. Burial was in the Afton Cemetery, by the Barrow Co.

Mrs. Anna Dillard Died In San Marcos Jan. 1st

Funeral services were conducted at the Hamlin Methodist church Sunday at 1:00 P. M. for Mrs. Georgie Anna Dillard, who died at the home of a son, T. H. Dillard in San Marcos, Texas. She passed away at 2:20 A. M., January 1. She was 70 years, 11 months and 20 days of age.

Mrs. Dillard is survived by her husband, James H. Dillard, to whom she was married in 1889. Her maiden name was Georgie Anna Bennett of Limestone county, Texas. Also surviving are Mrs. C. H. Ross of Abilene and four sons, B. H. and R. A. Dillard of Hamlin; J. H. Dillard of Lubbock and T. H. Dillard of San Marcos. There are nine grandchildren. One sister and one brother survive, Mrs. J. W. Shelton of Rule and Ben Bennett of Hardin, Texas.

Mrs. Dillard had lived a Christian life as a member of the Methodist church.

The body was in charge of the Barrow Company and was placed to rest in the East Cemetery, Hamlin.

Postal Rush Worked Delays On Many People and Business

The recent rush of postoffice business, because of the season and of the millions of parcel post packages, worked a hardship on many people and business, as well.

It was especially noticeable in Hamlin, where the office is closed for Saturday afternoon. Christmas Day came on Friday, and the office was closed. The rush Saturday morning was more than could be handled and then Saturday afternoon the office closed. This caused some to have to wait till Monday to get general delivery mail.

New Year's Day also coming on Friday, caused another close-up and again some general delivery mail could not be had till the following Monday. This particular situation does not come often, but when it holiday comes on Friday, some patrons of the Hamlin office miss their mail from Thursday of one week till Monday following. One elderly woman says these short mornings she can't get down to the office in time to get her mail till late and then the crowds are so large she can't wait an extra long time, then comes Saturday afternoon, and she is left out entirely.

It would appear from information of Congressman Russell, that if Hamlin business men want the local postoffice to remain open the full week, a petition can be circulated asking the Department for more money for labor and full service. Postmaster Sparks says that if more appropriations are given for labor he will see to it that the office remains open on Saturday afternoons.

Now it appears that "asking" is needed. Other towns ask and get it. Mr. Russell says in his own town of Stephenville, the business men petitioned for their office to be kept open on Saturday afternoon and got it. The same can be done in Hamlin.

So it is up to US. Let us try to visualize the situation in the year of 1943. It is clear that postal demands will increase. More and more men are going into the army and navy and other war services. It is becoming more and more apparent that home folks want fast and every-day postal service. It is a common thing to see people hunting around trying to get an emergency stamp when the office is closed. Then there are money orders, large packages, and a dozen things that become "emergency". A day or two is lost, and great inconvenience is felt at both ends of the postal line. Since this paper believes we can do better, we shall ask that WE ask till we get it.

A BABY BOY

Mr. and Mrs. Clinton Packwood are parents of a son, Cecil Ray Robinson, born Tuesday, December 29, in a Sweetwater hospital. Mrs. Packwood and baby returned to their home on New Year's Day.

Mr. and Mrs. J. D. Bingham of Lubbock spent the week end here with relatives. J. D. is stationed at the Lubbock Flying Field.

Inch By Inch—

For months, now, we Americans have been reading about and listening to reports of the battle of Buna-Gona in New Guinea. It is very puzzling to all of us. This is just a wee spot on one good-sized island that the Japs took in their almost unopposed push south one year ago.

Monday night a communique came from General MacArthur that all of the area had been taken except a few square rods, and that perhaps 100 men were still fighting, and that a "softening-up" process was getting underway. So we see it is a case of yard by yard, and inch by inch push against a race of people, whose individual soldiers do not know that all of their comrades have been killed but they. Nowhere in all history have we ever read of a more "fight-to-the-finish" than this. It is enough to teach Americans that to conquer and unarm the Japs, it is going to be a job longer than most have stopped to think—and unarming must take place or else the war will never end.

Maybe twenty years ago, we stated that if ever the Japs get a foothold in our Rocky Mountains or Coast Range, it would take a long time to dig 'em out. It would be just like killing varments in a rocky gulch... the inch-by-inch at Buna-Gona has proved that.

In the Buna Mission area, it has been "a dozen Japs killed" and fifty killed, then on and on, it goes, a few yards here and there, and at last it is all over. One year ago we heard of the Americans backing up and facing the final push in Bataan. Now the shoe is on the Japs, but not so many Japs, as in our forces.

A Letter

Blythe, Calif.

December 28, 1942

Dear Editor:

I am inclosing one dollar for a subscription to the Hamlin Herald. We enjoy the news from Hamlin, and we don't want to miss a copy. I enjoy reading the soldiers' letters. My son, Alton, is in India. He is a staff sergeant. Marshall is now in New York. Robert was in Virginia the last we heard.

I still remember my friends in Hamlin and would like to hear from them. If anyone wishes to write to me, my address is:

Mrs. Hugh S. Harris

Box 248

Blythe, California

(Folks, look back up there in this letter—"One son in India, one son in New York and one son in Virginia." All former Hamlin boys—now men—and what men! Yes, and no one knows the anxiousness of a mother's heart till they have a son whose life may be snapped out in this war).

Mrs. Raymond Griffin and daughter Shirley Raye, are visiting with Mrs. Griffin's mother, Mrs. F. M. Crow. Mrs. Griffin's husband is stationed at the San Angelo Air School. Pvt. Griffin volunteered for service as an airplane mechanic in October.

Mr. and Mrs. Earl Crow had as dinner guests Sunday, Mr. and Mrs. Marvin Massey and children of Stamford. Mrs. Raymond Griffin and daughter of San Angelo, Mrs. Melvin Crow and Melton. The occasion was their son Horace's 19th birthday.

T. F. Campbell is sending the Herald to his son, Pvt. Frank L., at Camp Robinson, Arkansas.

STATEMENT

(TO THE PEOPLE OF JONES CO. AND PRECINCT NO. 1)

I would be ungrateful if I did not try to express to you my appreciation for every consideration which you have given me while trying to serve you as Commissioner of Precinct No. 1, Jones County. I want to thank you and also the Commissioners Court for your co-operation, assistance and words of appreciation for the work I have tried to do. I sincerely appreciate everything.

I did my best, but did not accomplish as much as I would like to have done. Although we worked all the time, we were at a disadvantage the last two years on account of so much rain and did not get many things done as we intended and wanted to do.

I have tried to be Commissioner for every one, and gave the same consideration to each one alike as near as it was possible to do. I have made mistakes, but tried never to make the same one twice. There has been many problems the last ten years and especially in a financial way. I have not only tried to work for the best financial interest of Precinct No. 1, but for all of Jones County. I have worked with one viewpoint in mind, and that was to leave Precinct No. 1 in the best material and financial condition that it was possible for me to do.

I expect to give, and also bespeak for my successor your hearty co-operation for the best interest of Jones County and Precinct No. 1.

Sincerely yours,
JNO. C. TURNER

John C. Turner Retires After 10 Years' Service

Last week ended John C. Turner's 10 years' service as Commissioner of Precinct No. 1, Jones County. To say that Mr. Turner made the county a good officer is saying it mildly. Nobody ever accused him of "lounging" on the job.

Mr. Turner has witnessed many modern things in road maintenance during these ten years, and to most people road building and maintenance is about all a Commissioner has to look after... but there you are mistaken. It is just a part of the job.

Mr. Turner left his district out of debt of all kinds except about \$23 small bills, and had 52,000 feet of lumber paid for and a cash balance of \$11,450.72, when he quit.

In many ways, all the Commissioners Precincts have handled the County affairs, and theirs as well, in a good manner. The County, as a whole, has a moderate tax rate of only 64 cents. This rate cares for all manner of payments on bonds, etc., and other expenses of the County.

A Commissioners Court is composed of four Commissioners and the County Judge. They are the business managers of the County, and the funds each Precinct gets is in proportion to the total tax value in that district, hence each district is either in debt or has a cash balance according to the way the funds are expended.

All governmental affairs should be cut and dealt with on a cash basis—and it is better to have the cash on hand before spending. The whole state should be that way.

LIEUTENANT NEWBERRY WRITES FROM AFRICA

To to parents, Mr. and Mrs. O. C. Newberry, Dec. 21, 1942:

"As I was sitting down to write this letter, I inquired as to what date this was and to my surprise it is only four days until Christmas, and what a heck of a place to spend it, too.

"It has been quite some time since I heard from you and from what I can learn, which isn't anything to brag about, it will be quite some time before I hear from you, but who knows? I assure you of one thing, that if I ever hear from you it will certainly make me feel much better. Just in case you are wondering where I am, I could be very easily located in some part of Northwest Africa.

"There is not any news for me to tell, and furthermore, you can get a lot more from the daily newspapers than I could begin to tell you. Don't ask me why. I know one thing, I still have a good strong appetite. You know that's something that never leaves me and I wonder why. I never refuse a meal and if I miss one I make up for it at the first chance.

"Here's wishing you a Merry Christmas and a Happy New Year.

SOLDIER MARRIED

Tuesday of this week, Pvt. Melvin C. Butler, of Ft. Knox, Ky., arrived in Hamlin, accompanied by his girl, Miss Evelyn Bowman, who works in an airplane plant near Ft. Worth. So in the afternoon of Tuesday he and the young lady drove around and the first thing they knew they were at the County Clerk's office in Anson and then to somebody for a marriage ceremony. So what a furlough! Just one long enough to get married and right back. The young lady will resume her work in the bomber plant.

ANOTHER HAMLIN BOY IS

MAKING GOOD IN SERVICE

Clay C. Bailey, son of Mr. and Mrs. Clarence C. Bailey of Hamlin, is now serving with the U. S. Coast Guard on the Pacific Coast.

Clay is a home-town boy, having been born and reared in Hamlin. He graduated with the class of 1940 at Hamlin High.

In October of the same year he went to Lake Elsinore, Calif., to visit his sister, Mrs. Melvin G. Torbett who is the former Callie Jo Bailey; and his aunt, Mrs. James C. Cox, nee Effie Dee Davison. He worked in Elsinore until Pearl Harbor, immediately after which he entered a defense plant in San Diego. But Clay wanted something with more action, and after a few months his application with the Division State Forestry became effective. He was stationed at Elsinore where he worked for eight months. The service he rendered while with the Department was of such unusual merit as to attract the attention of the State Fire Marshal of the Southern Calif. District. He says Clay's job will be waiting for him when he comes back.

Clay was a true son of the heart of Texas, and mere home-front work failed to satisfy. He wanted to see action on the real front. So on Sept. 9 he enlisted with the U. S. Coast Guard, passed all examinations with high honors and was sworn in soon after. He was summoned for training on Dec. 10, and is now located on Santa Catalina Island.

Another son of Mr. and Mrs. Clarence Bailey in the armed forces is Mark, who has been in the army two years, and is somewhere on the Pacific Ocean now.

Land is 700 Miles Away...

BUT WHICH WAY?

BEST WISHES

for 1943!

THE WAR is getting closer to home. West Texas papers now are frequently carrying stories about local boys... killed or missing in action... or found after many days afloat in a rubber raft... undergoing indescribable hardships and suffering.

West Texas boys, unused to bottomless, endless stretches of ocean water, are learning to read the sun, the stars, the wind, and the drift in order to survive.

They feel a terrible need of training and experience to give them a better chance of reaching land—maybe 700 miles away.

★ ★ ★

Whatever the job—be it navigating a rubber raft or operating a light and power system—experience and training are needed to successfully cope with the technical problems involved.

Because the men and women who run

this company had that training and experience over many long years, you've undergone no inconvenience resulting from a shortage of light or power.

The war created new and greater needs for electricity. But the problems of supplying it were not new to us. Our plant engineers, linemen, servicemen already had the know-how.

This is one of the advantages of free enterprise and business management as opposed to political control and bureaucratic mismanagement. You've got to know how to run a power plant... or navigate a rubber boat. There's no time or place for inexperience!

Miss Anna Mae Calhoun And Herman D. Hughes Repeat Marriage Vows

Miss Anna Mae Calhoun, daughter of Mr. and Mrs. W. A. Calhoun, and Herman D. Hughes, son of Mr. and Mrs. W. F. Hughes of Rotan, were married Wednesday evening, December 30th, at 6 o'clock, at the home of the bride's parents.

Rev. Phil Little of Abilene, officiated, reading the double ring ceremony.

The bride wore a suit of ice blue wool, with white frilled blouse, and brown accessories. Her flowers were a shoulder corsage of gardenias.

After a small reception for the bridal party, the couple left for Rotan, where they will make their home.

The bride attended T. S. C. W. and N. T. S. T. C. and is a teacher in the Hamlin schools.

Mr. Hughes was a student at Texas Tech in Lubbock, and is now employed in Rotan.

Mrs. Hughes will continue teaching in the Hamlin schools until the end of the present semester.

Hamlin Man Marries In Kirksville, Missouri

The following article is taken from a Kirksville paper:

Miss Jean Blankenhorn, daughter of Mr. and Mrs. G. D. Blankenhorn, of 811 South Davis Street, Kirksville, Missouri, was married to Claud H. Chastain, of Hamlin, Texas, a student of Kirksville College, at 2 P. M. Christmas Day. The ceremony was read by the Rev. H. H. Snider, pastor of the Methodist church at the home of the bride's parents.

The bride and her sister, Miss Ruth Blankenhorn, who was bridesmaid, wore winter white street length dresses with corsages of pink carnations.

Mr. Chastain was attended by Norman Miyagi, of Honolulu, a college class mate.

Mrs. Chastain is a graduate of the Kirksville Teachers College. She has taught in La Plata, Mo., and Alton, Ill., and for the past year has been employed by an insurance company in Kirksville.

Mr. Chastain is a son of Mr. and Mrs. C. P. Chastain of Hamlin. He attended Texas Tech, at Lubbock, and is a graduate of Danfourth School of Pharmacy in Ft. Worth. He is a member of the senior class of Kirksville College and is class president. He is also a member of the A. P. O., and Phi Sigma Gamma fraternities.

Mr. and Mrs. Chastain are at home at 407 South Franklin St., Kirksville.

Miss Lucille Moore And Jack Collins Marry Thurs. Evening

Miss Lucille Moore, daughter of Mr. and Mrs. Albert Moore, and Mr. Jack Collins, son of Mr. and Mrs. Pat Collins, were married Thursday evening at 8:00 o'clock in the home of Rev. H. E. East, pastor of the First Baptist church, with Rev. East reading the ring ceremony.

The bride wore a printed crepe dress in shades of navy and heavenly blue with a hat to harmonize. Her other accessories were black.

Mrs. Collins finished Hamlin High school with the class of 1933 and for the past seven years she has been employed as housekeeper in the home of Mr. and Mrs. C. P. Chastain.

Mr. Collins is a farmer in the Neinda community where he and his wife will make their home.

Farmer Should Study Cotton Seed Subsidy

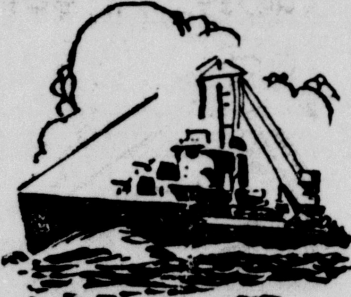

Cotton growers of Jones County can get from \$1.10 to \$2.25 per hundred pounds subsidy on their cotton planting seed according to James M. Binion, County Agent, provided they meet the following simple requirements. First, form themselves into co-operative groups of at least seven growers in each gin community. Second, plant varieties approved by the Texas Cotton Seed Improvement Association (Acala and Deltapine has been approved for this county). Third, secure seed from approved sources. Fourth, make application for the subsidy when you buy the seed and it will be forwarded to you at that time. Details of the plan are available through the county agent for those that might be interested in this program.

With the large supply of short staple cotton on hand and in view of the probable difference in the price of long and short staple cotton during the next marketing season it appears that this is an excellent opportunity for farmers to secure top quality seed at a very low price.

Since supplies of good seed is low it is urged that farmers interested in the above program contact the county agent at an early date so that organizations can be set up and seed ordered.—James M. Binion, County Agent.

What You Buy With WAR BONDS

Ships of the Destroyer type comprise the bulk of our fighting ships in the American Navy. Their average displacement is about 1800 tons, and they are fast, powerful, and hard hitting. They have been particularly effective in convoy duty and gave a good account of themselves in the Coral Sea engagement. They cost approximately \$3,600,000 each.

Every Navy shipyard is turning out Destroyers in record time. They are essential for our two-ocean Navy. Purchase of more and more War Bonds will assure all-out production of these vital units for the Navy. Buy every pay day. If everybody invests at least ten percent of his income in War Bonds we can do the job.

From Cold Canada

Peace River, Alberta, Canada
December 29, 1942

Dear Mr. Pope:

You asked me to write and let you know about this country when I arrived here. I was on the train from Dallas to Edmonton, Alberta, Canada, five days and nights. Stayed in Edmonton 3 days and left for Peace River, which is 400 miles North. And say, don't let anybody tell you it isn't cold up here. It has been below zero ever since I left the States. Snow is from 20 to 36 inches deep.

The company I am with is moving what they call "cat trains" North from Peace River. It is a Catapillar pulling 3 or 4 houses on a sleigh. I have been on 2 trains so far. One went 95 miles, the other 175 miles. We stop these houses and men are stationed there to work on the "Grimshaw Highway" which leads into Alaska. I leave on one next week that will go 525 miles up.

I suppose the Hamlin folks had a good Christmas. I worked all day Christmas Day, and the temperature was 44 below zero Christmas Eve night. I have gotten very cold several times, but am going to try to stay with it.

The natives are quite different to the Americans. There are lots of Americans working on the Highway so I don't feel so lonesome except to see the home folks.

I have seen quite a few animals on my trip North in the mountains. Lots of deer, moose, timber wolves, fox and bear.

Mr. Pope, I can tell you more about Canada when I see you, so will close for this time. Am hoping to get my papers soon. As ever,

Arice Jones

BAPTIST CHURCH

We are grateful for a warm spiritual service last Sunday morning. The public decision of one of our fine young ladies to follow Christ was indeed a source of joy for us all.

When we come with expectancy, believing that there is a blessing for us in the service, we are seldom disappointed. We urge you to attend all religious services with such a spirit.

We invite you to be with us this coming Sunday. You will get good from the services, we trust.

O-O-O

Every few days, we read in the press where there is a near race riot in some part of the South, and all because that Negro soldiers from the North are sent to Southern states. Now there is one thing certain; the people of the South will never submit to the North's opinion that a Negro is as good or on the equal with the white race and it seems to us that the government would respect the South enough to keep the Northern Negro soldier North of the Mason-Dixon Line. There was trouble with the Northern Negro soldier in the Southern states during the last war and there will continue to be trouble as long as the Negro is permitted to mix and mingle with the soldiers from the South.

The Southern man respects a Negro in his place and it is a fact that the colored folks of the South get fair treatment from the whites, but as far as eating at the same table or sleeping in the same bed—that's out in Texas.

Abe Lincoln said all men are created equal, but that didn't necessarily mean that all men stayed on as equals after creation.

We in the South admire the Amer-
